3930 16th Ave. SW  
P.O. Box 68  
Cedar Rapids, Iowa 52406  
(319) 396-4400

An OTR truck driver responsible for training students who just got out of a truck driving school and is learning all the aspects on how to safely and effectively drive on the open road. Was responsible for making sure the students learned how to interact with customers, master truck driving skills and be a productive and safe individual while out there on the road.

PFG: 02/07 - 02/10  
3150 N. Gallagher Rd.  
Dover, Fl. 33527  
813-659-0811

Distribute a broad array of national and proprietary-brand food and related products to

customers. Interact with customers to ensure customer satisfaction.  
Conduct regular inspections on the reefer unit to ensure that it is running properly. Match your count to the customer's bill of lading and supply the customer with a credit sheet in the event the product is damaged, short or miss picked. Some additional duties that I was involved in also was helping the warehouse load trailers when they fell behind, help out as a "yard dog" and move trailers to the appropriate docks to be loaded, grab necessary paperwork for the routes that dispatched early in the morning, and also safely pull twin trailers (Doubles) to the shuttle yards for our delivery drivers.

Celadon Trucking: 09/06 - 12/06  
9503 E 33rd St  
Indianapolis, IN. 46235  
1-800-Celadon

An OTR truck driver located on the eastern half of the U.S. Responsible for the safe transport of cargo from one customer to another. Interact with customers to ensure accuracy and quality of product being delivered.

SYGMA: 05/06 - 09/06  
6375 Emperor DR.  
Orlando, FL 32809  
407-816-2470

Deliver food product within the state of Florida, Georgia and Alabama to all the Wendy's, Boston Markets, Jenny Craig, Cold Stone and Steak and Shake locations. Match the count to the customer's bill of lading and supply the customer with a credit sheet in the event the customer is shorted any product. Regularly interact with individuals to ensure customer satisfaction.

Roadmaster: 04/06 - 04/06  
1000 Cinderlane Pkwy.  
Orlando, FL

Attended Roadmaster's 3 week driving school program to learn how to properly and safely drive and maneuver semi trucks. Also learned about the basic mechanical aspects of tractors and trailers and what to do if a problem occurs while on the road.

Dunbar: 09/04 - 03/06  
149 W. Michigan St  
Orlando, FL. 32806  
407-426-9309

Go to different customer locations in a straight truck and pick up cash deposits that need to go to the bank. Monitor CCTV cameras within the branch and vault.

Track truck movement throughout the day to ensure safety and productivity. A weekend supervisor in charge of 12 employees.

Allied Security: 10/02 - 09/04

933 Lee Rd.

Orlando, Fl. 32819

407-682-9400

Provide overnight security to Lincoln Plaza, a building located in downtown Orlando. Monitor cameras located throughout the parking garage. Respond to emergencies within the building such as fire alarms, gas leaks, individuals fighting, and several different health concerns. Awarded Security officer of the month twice for my witness accounts resulting in the arrest of several people: 01/04. 06/04

Universal Studios: 04/01 - 10/02

1000 Universal Studios Plaza

Orlando, Fl 32811

407-363-8000

Provide security for both Universal Studios and Islands of Adventure, including the back lot employee areas. Responded to emergencies throughout the park that included fire alarms and hold-up alarms. Escort ambulances, fire trucks and police officers to the correct locations that they had to respond to. Security dispatcher: responsible for gathering necessary information happening within the parks and dispatching appropriate personal to that location or contact emergency services for their assistance. Was responsible for watching over any and all hold-up alarms, fire alarms, CCTV cameras and monitor cross radio traffic.

United Parcel Service: 03/10-10/10

8901 Atlantic Ave.

Orlando, Fl 32824

407-826-8166

Load 53' trailers with cargo that needed to be transported to another distribution center. Separate cargo on both the high volume and low volume positions to the correct ramp that led to the trailer taking the packages to that specific city. Responsible for opening the work station and getting everything ready for a smooth operation. Employee of the month 07/10

Dr. Phillips High School: 09/97 - 05/01

Orlando, Fl

Student at Dr. Phillips High School where I graduated. Vice President of my FFA Chapter.
